Piedmont Technical College abides by the [State Board for Technical and Comprehensive Education Procedure 8-10-100.1 Employee Development](#). This procedure outlines the State and College-specific criteria for participation in faculty and staff development activities.

Administrative Responsibilities

It is the responsibility of the Vice President for Academic Affairs and the Dean of Instructional Development and Academic Support.

Procedure

A. Faculty and Staff Professional Development

1. The Faculty and Staff Development program supports the College mission and encourages employee growth in knowledge and skills.
2. Professional development is a part of every faculty and staff member's annual performance management system.

3. The College encourages employees to take courses to improve themselves professionally. Seminars, webinars, workshops, and conferences provide faculty and staff opportunities to improve knowledge and skills in their subject areas and for their job duties.
4. New faculty are required to take an orientation course their first year of being with the College as a full-time instructor. When funds are available, they may receive one course release for one semester.

B. Availability of Activities

The College provides opportunities for employee development and encourages all eligible employees to participate.

1. Departmental Support

The College's operating budget, along with limited support from the Piedmont Technical College Foundation, provides an allocation for professional development activities. The amount available may vary depending on annual revenue and expenses. Pending departmental budget funds, temporary employees may be eligible to participate in departmental faculty/staff development activities.

2. Responsibilities of the Instructional Development and Academic Support Division

- a. The duties of the Instructional Development and Academic Support Division include researching, planning, coordinating, and offering in-service and professional development activities that assist faculty in remaining current in technical trends and work skills requirements.
- b. Faculty register for college sponsored PD using an electronic form. The Dean for Instructional Development and Academic Support uses the electronic form to register the faculty through Banner, sends an Outlook Calendar invitation, and once the training is attended and completed records the attendance in Pathway. A faculty member or Divisional Dean may review the complete PD Transcript through Pathway. An Argos report is also available to confirm attendance and completion and allows for further analysis of PD data.

3. Workshops, webinars, seminars, and conferences, sponsored by educational institutions or other reputable agencies, may be funded through the departmental or divisional budgets.

- a. Employee meets with supervisor to request funding.

- b. Supervisors approve in-state travel if budget funds are available.
 - c. For professional development requiring travel, an employee fills out the Professional Development Travel Request Form, located in the Pathway Employee Tab under Documents and Forms and submits for approval to his/her supervisor and budget holder. If the professional development requires out-of-state travel, the form requires the approval of the appropriate Vice President and the President.
 - d. Each division has a limited budget to expend on professional activities and approved requests.
 - e. Requests for payment for registration or associated fees are processed through the Accounting Office following College policies and procedures. f. The Finance Office notifies the applicant when the check for registration fees, membership dues, or travel reimbursement has been processed.
 - f. Each Institutional Officer will maintain a list of activities funded.
4. Professional Organizational Membership

Professional Organization Membership is defined as official, paid affiliation with professional organizations that support enrichment in the individual staff member's area of expertise or in relation to the individual's position.
