Spring 2024

Inside This Issue

This newsletter is designed to help students find opportunities for additional academic assistance available at PTC. Student Support Services sponsors free academic workshops that all students may attend. In addition there are academic centers and open labs that are available for various subjects.

We hope that this newsletter will guide you and help you meet your academic goals at PTC.

STUDENT SUPPORT SERVICES (SSS)

101A (864)941-8385

TRiO Student Support Services (SSS) is designed to provide academic support to low income individuals, first generation college students and/or students with a documented disability. SSS provides valuable support and services that will assist in student success and persistence towards graduation.

CAREER PLANNING

101A (864)941-8356

Career Planning is available to assist students in determining career options that match their individual skills and interests.

STUDENT SUCCESS AND ENGAGEMENT

101A (864)941-8356

Student Success Coaching can assist students with study strategies and other specific academic issues such as test anxiety, note taking, time management and more. Also there are free resource booklets available on various academic topics.

Student Disability Services can provide accommodations for students with documented disabilities.

PTC COUNSELING AND SUPPORT

101A (800)327-2251

Piedmont Tech provides free services through our school-sponsored BHS program. BHS provides you with an easily accessible, safe and confidential means to assist with any of life's challenges and personal problems that may interfere with school, work or family responsibilities. You will have access to confidential assistance to manage life's challenges and stay happy, healthy and safe while in college.

Contact **BHS** by calling (800) 327-2251 or visit www.ptc.edu/bhs.
