

A.A.S., Early Care and Education Outcome Measures as reported to the National Association for the Education of Young Children (NAEYC) on April 14, 2020

Outcome Measure #1: The Number of Program Completers

Academic Year	Number of program completers	% of program completers who were attending full-time (at the time of completion)	% of program completers who were attending part-time (at the time of completion)
2016-2017	17	17.65%	82.35%
2017-2018	18	44.44%	55.56%
2018-2019	17	17.65%	82.35%

Outcome Measure #2: The Program Completion Rate (Published timeframe for full-time student completion is 5 semesters.)

Program Name: Associate in Applied Science Early Care and Education

Academic year in which a Fall cohort of full-time students enrolled at the institution (select three sequential years)	Percentage of those students who completed the program within 150% of the published timeframe	Percentage of those students who completed the program within 100%, <u>200%</u> (twice) or 300% (three times) of the published timeframe (Please circle or underline the indicator above on which the program will report.)
2013 (n = 70)	24/70 = 34.29%	28/70 = 40.0%
2014 (n = 72)	22/72 = 30.56%	24/72 = 33.33%
2015 (n = 60)	23/60 = 38.33%	26/60 = 43.33%

Outcome Measure #3: Institutional Selected Data

The number and percentage of program graduates employed in the early childhood profession or pursuing further education in the profession within one year of graduation for each of the three most recent academic years for which information is available.

Academic Year	Number of Graduates	Number of Graduates (and % of total) who are employed in the early childhood profession within one year of graduation*	Number of Graduates (and % of total) who are pursuing further education in the early childhood profession within one year of graduation*
2014-2015	N = 21 graduates reporting	11 employed = 52.38%	7 continuing their education = 33.33%
2015-2016	N = 14 graduates reporting	5 employed = 35%	8 continuing their education = 57%
2016-2017	N=28 graduates reporting	17 employed = 60%	9 continuing their education = 32%
