

High School Student Registration Form

Student Information

Name (please print) _____

Social Security Number _____ High School _____

In order to qualify for Dual Enrollment, a high school Jr. or Sr. must meet the following requirements:

- Must submit an Application for Admission and registration form to Piedmont Technical College
- Must meet minimum Piedmont Technical College placement test scores, or submit acceptable SAT/ACT scores: SAT: Critical Reading = 480, Math = 480 OR ACT: Composite = 20
- All paperwork and testing must be completed before classes begin..

Course Information

I plan to enroll in Piedmont Technical College dual enrollment courses:

- at your high school or career center (**FREE tuition for 6 credit hour block in one semester – usually 2 classes – with Lottery Tuition Assistance**)
- at the Piedmont Technical College campus in Greenwood, online, or other county center (**Tuition Required**); students must come to PTC to register for these classes.

		at my High School OnDeck classes online Middle College (Free – Greenwood District 50 only)	at my career center Regular PTC classes

Agreement and Signatures

We understand that the grade earned will become a permanent part of the students transcript. College transcripts must be requested in writing with payment of the required transcript fee. Additionally, students are responsible for meeting all deadlines, including those for submitting this form, registration dates, tuition payment and withdrawal dates. Please note that in some cases, tuition is involved. Please see the information above to determine if a payment is required. According to state policy, high school students must follow the same procedures as other Piedmont Technical College students.
