

## Congratulations Graduates!

If you took Project Lead the Way classes in high school, you may have already earned credits toward a degree in Engineering Technology. The Engineering Technology department at Piedmont Technical College is offering courses that apply toward the Project Lead Way Classes taught in high school.

If you received credit with a grade of "B" or higher for any of the following courses in high school, they will transfer toward a degree in Engineering Technology:

### **PLTW High School Course**

Introduction to Engineering Design (IED)

Principles of Engineering (POE)

Digital Electronics (DE)

Computer Integrated Manufacturing (CIM)

Civil Engineering and Architecture (CEA)

Engineering Design and Development (EDD)

### **Piedmont Technical College Course**

EGT 152-Fundamentals of CAD

EGR 130-Engineering Technology Applications & Programming

EET 140-Digital Electronics

CIM 131-Computer Integrated Manufacturing

AET 101-Building Systems I

EGR 184-Problem Based Integrated Technology I

Piedmont Technical College offers the following associate degrees in Engineering Technology to which your credits may apply:

Electronic Engineering Technology

Engineering Graphics Technology

General Engineering Technology

Mechanical Engineering Technology

For more information concerning the Engineering Technology programs at Piedmont Technical College, please contact Sandy Warner, Interim Department Head for Engineering Technology, at (864) 941-8466 or email: [warner.s@ptc.edu](mailto:warner.s@ptc.edu)
