

## Instructions for Identity and Statement of Educational Purpose Verification

---

The student must appear in person at any Piedmont Technical College location to verify his or her identity by presenting a valid government-issued photo identification (ID), such as:

- driver's license
- other state-issued ID
- passport

Piedmont Technical College will maintain a copy of the student's photo ID that is annotated with the date it was received and the name of the official at the institution authorized to collect the student's ID.

In addition, the student must sign, **in the presence of the college official**, the Statement of Educational Purpose. This form will be distributed by the college official in the Financial Aid Office of the Greenwood Campus OR at the County Campus the student attends.
