RATIONALE

Why do I need this course?

English/language arts courses teach a process for acquiring skills necessary for effective communication in writing, reading, speaking, and listening. This course helps students develop an appreciation for the power of college-level written and oral traditions. This second composition course also prepares the student for writing expected in other college-level courses, specifically higher-level English.

PROGRAM INFORMATION

For program information including required courses, program learning outcomes, gainful employment information and advisement information, refer to the Academic Program webpage.
