

Offered at AA, NN, and GG Campuses

Mechatronics Technology (MCT3) SPR 2020 A – TERM:

EET 145 Digital Circuits	Will need Prerequisite override
EET 233 Control Systems	Will need Prerequisite override
MET 235 Manufacturing Engineering Principles	Will need Co-requisite override

Mechatronics Technology (MCT3) SPR 2020 B – TERM:

EET 231 Industrial Electronics	Will need Prerequisite override
IMT 101 Intro to Industrial Maintenance	Will need Co-requisite override
ENG 165 Professional Communications	

Mechatronics Technology I Certificate (MCT6) SPR 2020 A – TERM:

EET 145 Digital Circuits	Will need Prerequisite override
EET 233 Control Systems	Will need Prerequisite override

Mechatronics Technology I Certificate (MCT6) SPR 2020 B – TERM:

EET 231 Industrial Electronics	Will need Prerequisite override
--------------------------------	---------------------------------

Electrical Maintenance Technician Certificate (ELM7) SPR 2020 T – TERM:

EEM 140 National Electrical Code	Will need Prerequisite override
----------------------------------	---------------------------------

Electrical Maintenance Technician Certificate (ELM7) SPR 2020 B – TERM:

EET 231 Industrial Electronics	Will need Prerequisite override
--------------------------------	---------------------------------

Offered at CAM Campus

Mechatronics Technology (MCT3) & Mechatronic Technology I Certificate (MCT6) SPR 2020 T – TERM:

IMT 131 Hydraulics & Pneumatics	
EET 112 AC Circuits	May need Prerequisite override
EET 131 Active Devices	Will need Prerequisite override
EET 233 Control Systems	Will need Prerequisite override

Mechatronics Technology (MCT3) & Manufacturing Production Technician Certificate (MFG8)

IMT 170 Statistical Process Control	Will need Co-requisite override
MET 235 Manufacturing Engineering Principles	Will need Co-requisite override
IMT 101 Intro to Industrial Maintenance	Will need Co-requisite override

Mechatronics Technology (MCT3) & Introduction to Automation (MCA6)

AMT 205 Robotics & Automated Controls II	Will need Co-requisite override
EET 251 Microprocessors Fundamentals	Will need Co-requisite override

Offered at SS Campus

Mechatronics Technology (MCT3), Mechatronic Technology I Certificate (MCT6), & Electrical Maintenance Technician Certificate (MFG8) SPR 2020 T – TERM:

EET 111 DC Circuits
EET 233 Control Systems

May need Prerequisite override
Will need Prerequisite override
