What is the Food Protection Manager course?

The ServSafe® course helps prepare participants for the ServSafe® Food Protection Manager Certification exam.

Training covers these concepts:

- The Importance of Food Safety
- Good Personal Hygiene
- Time and Temperature Control
- Preventing Cross-Contamination
- Cleaning and Sanitizing
- Safe Food Preparation
- Receiving and Storing Food
- Methods of Thawing
- Cooking
- Cooling and Reheating Food
- HACCP (Hazard Analysis Critical Control Points)
- Food Safety Regulations, and more!

The course will be 6 hours of lecture with an included lunch break, followed by up to 2 hours of testing. Course fees include the digital exam code. Participants **MUST** have a government-issued photo ID to take the test. Participants should bring materials for note-taking.
