Fact Sheet for Radiologic Technology

Eligibility Requirements

Minimum Eligibility (Program-Ready) Requirements:
1. Completion, with a C or higher, of the following courses:
   - Anatomy and Physiology I (BIO 210)
   - Anatomy and Physiology II (BIO 211)
   - English Composition (ENG 101)
   - Intermediate Algebra (MAT 102) or Probability and Statistics (MAT 120)
   - General Psychology (PSY 201)
2. Minimum program ready GPA, in 5 courses above, must average 2.5.
   - A program ready GPA calculator can be found on the following webpage:
     http://apps.ptc.edu/gpacalc_site/gpacalc.php?aim=8jjs6dhw8djo2ll

Additional General Education Coursework:
The following additional general education coursework, with a C or higher, is required for this program. Please note that course completion is required for progression as noted:
- Introduction to Computers (CPT 101)
- Elective – Humanities/Fine Art

When and How to Apply

The Radiologic Technology program accepts 20 students to begin the clinical program in the Fall semester. Up to half (10) are chosen using this merit application. The remaining spots are filled by priority date.

Applications are accepted in May.
Check the Health Science and Nursing Resources website for the exact dates and deadlines.

Applications are only available online.

To submit an application, go to:
http://www.ptc.edu/college-resources/nursing-health-science/application-and-acceptance-dates

Additional Information

Meeting the minimum requirements for clinical entry does not guarantee acceptance. After review of all merit applicants, the 10 students with the highest score will be offered acceptance. In the event of a tie, the student with the earliest priority date will be selected. All other applicants will be admitted according to priority date. All applicants will be notified via postal mail of the Health Science Division’s decision.

Students entering this program must be capable of performing certain physical and mental tasks. Go to http://www.ptc.edu/sites/default/files/documents/hs_resources/Physical%20Mental%20Standards%20Chart.pdf to view those needed capabilities.

Students accepted to this program will be required to pass a background check and drug screen upon acceptance.
