Fact Sheet for Respiratory Care

Eligibility Requirements

Phase I Requirements:
1. Completion, with a grade of C or higher, of the following courses:
   - Anatomy and Physiology I (BIO 210)
   - Anatomy and Physiology II (BIO 211)
   - Microbiology (BIO 225)
   - English Composition I (ENG 101)
   - Probability and Statistics (MAT 120) or Intermediate Algebra (MAT 102)
   - General Psychology (PSY 201)
   - Introduction to Computers (CPT 101)
   - Humanities/Fine Arts Elective
2. Minimum program ready GPA, in 8 courses above, must average 2.5.
3. Minimum score of 4 in the applied mathematics, locating information, and reading for information sections of the WorkKeys test.

When and How to Apply

The Respiratory Care program accepts 22 students to begin the clinical program in the Spring semester. Up to half (11) are chosen using this merit application. The remaining spots are filled by priority date. Applications are accepted in September. Check the Health Science and Nursing Resources website for the exact dates and deadlines. Applications are only available online.

To submit an application, go to: http://www.ptc.edu/college-resources/nursing-health-science/application-and-acceptance-dates

Additional Information

Meeting the minimum requirements for clinical entry does not guarantee acceptance. After review of all merit applicants, the 11 students with the highest score will be offered acceptance. In the event of a tie, the student with the earliest priority date will be selected. All other applicants will be admitted according to priority date. All applicants will be notified via postal mail of the Health Science Division’s decision.

Students entering this program must be capable of performing certain physical and mental tasks. Go to http://www.ptc.edu/sites/default/files/documents/hs_resources/Physical%20Mental%20Standards%20Chart.pdf to view those needed capabilities.

Students accepted to this program will be required to pass a background check and drug screen upon acceptance.
