NEW TO NEWBERRY!

NEWBERRY CAMPUS
INFORMATION TECHNOLOGY PROGRAM

The demand for qualified IT personnel is high and growing across South Carolina. To help connect Newberry residents with these rewarding careers, Piedmont Technical College is adding the full Information Technology concentration of the Computer Technology associate degree program to the Newberry County Campus.

What can I do with a degree in IT?
An information technology-related degree opens the door for a career in a wide-range of fields from homeland security and health care to gaming development.

In PTC's program, you'll learn a wide range of skills, from programming, to security, to project management. You'll have a working knowledge of most aspects of modern information technology.
