

## ADN and LPN to ADN Transition Program Learning Outcomes

Incorporate sensitivity and respect in demonstrating concepts of patient centered care within culturally diverse populations among individuals, families, and communities. (MG4)	Communicate professionally and function effectively within nursing and other healthcare disciplines to achieve quality patient care in response to the needs of individuals and families across the lifespan and the health illness continuum. (MG2)	Integrate evidence-based practices to improve patient outcomes across all healthcare populations. (MG1)	Analyze data and implement quality improvement measures with ongoing evaluation to ensure patient safety across the healthcare continuum. (MG3,5)	Create a safe environment that enhances quality of care for individuals and families within culturally diverse populations. (MG3)	Integrate appropriate technology for shared decision making and resolving problems in the delivery of care for individuals and families across the lifespan. (MG3)
Use of Clinical Performance Evaluations, standardized 3 <sup>rd</sup> party testing, and student evaluations used to measure.

\*Program Completion Rates: Establish recommendations that will assist students in successfully completing the Nursing Program.  
 Expected Level of Achievement: 50% will complete the program on time (4 semesters ADN, 3 semesters LPN to ADN Transition)

<b>2023 48.54% (50/103)</b>	<b>2024 62.39% (68/109)</b>	<b>2025 53.85% (56/104)</b>
0523ADN 43.75% (14/32)	0524ADN 48.4% (15/31)	0525ADN 50% (14/28)
1223ADN 50% (14/28)	1224ADN 69% (20/29)	1225ADN 58% (18/31)
0523T 50% (7/14)	0524T 80% (16/20)	0525T 57% (12/21)
0823T 51.72% (15/29)	0824T 59% (17/29)	0825T 50% (12/24)

\*NCLEX Pass Rates: Prepare students to be eligible to apply for the National Certification Licensure Examination

Expected Level of Achievement: 80% will pass on the first attempt

<b>2023 92% (69/75)</b>	<b>2024 95.77% (68/71)</b>	<b>2025 89.61% (69/77)</b>
Traditional Program 90% (36/40)	Traditional Program 97.29% (36/37)	Traditional Program 91.67% (44/48)
Greenwood Transition 91% (20/22)	Greenwood Transition 93.75% (15/16)	Greenwood Transition 93.33% (14/15)
Laurens Transition 100% (13/13)	Laurens Transition 94.44% (17/18)	Laurens Transition 78.57% (11/14)

\*Job Placement: Prepare students to work as licensed nurses

Expected Level of Achievement: 90% of those students contacted will be working as a licensed nurse within 6 months of graduation.
