In compliance with our mission to transform lives and strengthen communities, it is the policy of Piedmont Technical College to provide access to post-secondary education to all who are eligible in accordance with statutory requirements and existing policies of the South Carolina Technical College System.

Applicants must be 18 years old or a high school graduate or the equivalent to be admitted to the college. Under certain circumstances, an applicant who is under 18 years old and has not graduated from high school may be admitted, such as dual enrolled high school students, or others through arranged partnerships or agreements. Evidence of high school graduation or its equivalent is required for admission to Associate Degree and Diploma programs. Certain certificate programs require a high school diploma or the equivalent; this information is available on the College website and in the College catalog.

Piedmont Technical College does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, or veteran status in its admissions policies.
