It is the policy of Piedmont Technical College to allow employees, students, and members of the general public to use the College's computer resources (henceforth designated as the network); usage must conform, at a minimum, to state and federal requirements and to additional requirements as defined by the College.

The use of Information Systems and Information Technology Services and Resources for any purpose other than the support of the mission of Piedmont Technical College is prohibited. Transmission or reception of indecent material is specifically prohibited by state law. Violation of this policy may result in loss of privileges, up to and including termination and/or state or federal disciplinary action.
