#### **B. Online Copyright Center**

The Library maintains an Online Copyright Center which includes the complete College policy and procedure on copyright and detailed copyright information about various types of materials and their appropriate uses in the multiple classroom environments provided by the College.

#### **C. Compliance**

1. The burden of seeking copyright information is on the individual employee who uses the work.
2. Employees who are concerned about using copyrighted materials should discuss each issue with the Head Librarian and file a [Copyright Clearance Form](#) for each issue. While completion of this form shows an effort on the part of the employee to comply with the College's copyright policy, it does not necessarily guarantee compliance with the law.
3. Employees who willfully disregard the copyright policy do so at their own risk and assume all liability.
