Administrative Responsibilities

It is the responsibility of the Vice President for Academic Affairs in conjunction with the Academic Deans to review and revise this procedure.

It is the philosophy of Piedmont Technical College that student-instructor and student-student interactions are critical to bringing about student learning. Such interactions allow students to develop competencies in the skills and knowledge of the particular course subject, work ethic and interpersonal skills. Unless there are circumstances beyond the control of an individual student that prevent him/her from attending a class session, each student should attend all class sessions of a course.

Procedure

Individual instructors establish the attendance expectations for the courses they teach. Students are expected to know and abide by the attendance expectations set forth in their instructor's course materials. If an absence is unavoidable, the student should contact their instructor as soon

as possible. Class attendance is expected from the first-class meeting. If a student does not attend the first class meeting, the student may be dropped.

A. Withdrawals

1. Once a student has established his/her attendance in a class, it is the student's responsibility to withdraw from a class, if he/she desires to do so.
2. The last day to withdraw from a class is two weeks prior to the end of the semester; this date is published in the Student Calendar.^[1]_[SEP]

B. Online Courses

Special note on Attendance in online course:

Attendance in online classes is established through the use of an introductory activity. If a student has completed the introductory activity, the student will be considered to be enrolled in the course. Students who have not completed the introductory assignment in an online course by the due date established by the instructor, may be dropped. Beyond this initial activity, additional participation expectations/due dates will be established by individual instructors.

C. Special note on Attendance Policy for Veterans:

Students eligible for assistance under the G.I. Bill must satisfy documentation requirements of the program. Veterans should consult with the Veterans Affairs Certifying Official to ensure compliance regarding attendance.
