Procedure:

A. Public Assembly

1. The college reserves the right to restrict the time, place, and manner of expression for the safety of those involved and the safety of the students and employees of the college.

Public Assembly Days & Times: Under Public Expression, or Free Speech, the college community and groups unaffiliated with the college are welcome on campus in designated free speech areas on **Tuesday, Wednesday and Thursday from 10:00 AM to 4:00 PM** so long as the total time on campus in designated free speech areas does not exceed fifty (50) hours per term. Additional time beyond the fifty hours may be requested of the PTC Campus Police Chief and, after notifying the President of the additional request, will be addressed on a case-by-case basis. Set up can begin no earlier than **15 minutes prior to the approved event** and affiliated and unaffiliated groups must leave campus no later than 15 minutes after the conclusion of the event. Requests are granted on a first come, first served basis, once all required documentation has been submitted to PTC Campus Police and approved. Only one request will be granted for any given time. A minimum of one hour of separation will be maintained between requests granted on the same date.

Location of Public Assembly Areas: The college community and groups unaffiliated with the college will be directed to college designated free speech areas. Free Speech areas exist on each college campus. Due to space and safety limitations, a maximum number of participants may be permitted on campus at any one time. All groups must remain within a five (5) foot radius of the above designated location. Public assembly groups will not in any way stop the flow of traffic, approach students or employees, or disrupt the college environment. Students and employees may approach groups of their own accord.

Parking: Parking for approved public assembly groups will be designated near free speech areas on each campus.
