Piedmont Technical College abides by the State Board for Technical and Comprehensive Education procedure 8-10-100.1, Employee Development. This procedure outlines the State and College-specific criteria for participation in faculty and staff development activities.

**Administrative Responsibilities**

It is the responsibility of the Vice President for Academic Affairs and the Office of Instructional Development to review and revise this procedure.
Procedure

A. Faculty and Staff Professional Development

1. The Faculty and Staff Development program supports the College mission and encourages employee growth in knowledge and skills.

2. Professional development is a part of every faculty and staff’s annual performance management system.

3. The College encourages employees to take courses to improve themselves professionally. Seminars, webinars, workshops, and conferences provide faculty and staff opportunities to improve knowledge and skills in their subject areas and for their job duties.

4. New faculty are required to take an orientation course their first year of being with the college as a full-time instructor. When funds are available, they receive one course release time for one semester.

B. Availability of Activities

The College provides opportunities for employee development and encourages all eligible employees to participate.

1. Departmental Support
   The College’s operating budget, along with limited support from the Piedmont Technical College Foundation, provides an allocation for professional development activities. The amount available may vary depending on annual revenue and expenses. Pending departmental budget funds, temporary employees may be eligible to participate in departmental Faculty/Staff development activities.

2. Office of Instructional Development
   a. The Office of Instructional Development (ID) is charged with researching, planning, coordinating and offering in-service and professional development activities that assist faculty in remaining current in technical trends and work skills requirements.

   b. Instructional Development events are available to full-time faculty. Adjunct faculty may participate in events that are designated as being opened to them.
c. The Office of Instructional Development maintains records of all events that it sponsors and provides these records to Divisional Deans in a time frame that allows for them to be included in the faculty’s evaluations.

3. Workshops, webinars, seminars, and conferences, which are sponsored by educational institutions or other reputable agencies, may be funded through the departmental or divisional budgets.
   a. Employee meets with supervisor to request funding.
   b. Supervisors approve In State travel, if budget funds are available.
   c. For Out of State travel, employee fills out an Out of State Trip Request, has it approved by his/her supervisor and sends to both the appropriate Vice President and the President for approval.
   d. The President/Vice Presidents each have a limited budget to expend on professional activities and approves requests at his/her discretion.
   e. Requests for payment for registration or associated fees are processed through the Accounting Office following College policies and procedures.
   f. The Accounting Office notifies the applicant that the check for registration fees, membership dues, or travel reimbursement has been processed.
   g. Each Institutional Officer will maintain a list of activities that have been funded through this fund.

4. Professional Organizational Membership
   Professional Organization Membership means official, paid affiliation with professional organizations that support enrichment in the individual staff member's area of expertise or in relation to the individual's position.
