“Reaching our goals should leave evidence that we have lived a life of significance.”

Goal setting and reaching those goals is a good thing, right? However, what is gained once goals are reached? After all, reaching one’s goals does provide a sense of accomplishment, especially if overcoming obstacles was part of the process.

F.O.C.U.S. – 5 Essential Principles to Reach Your Goals for Students & Other Smart People will take readers on a journey of introspection and self-discovery laying the foundation for living a life of significance. For a limited time, you may purchase the book at a quantity discount (see below).

**Quantity Discounts (plus shipping)**

- 10 – 24 books @ $12 each
- 25 – 49 books @ $11 each
- 50 or more books @ $10 each
