Apply ONLINE

www.ptc.edu/scholarships/

September 2-16

Apply Early • Apply Early • Apply Early • Apply Early • Apply Early • Apply Early • Apply Early

In order to qualify...

• You must have completed 12 PTC hours in your major
• You must have a Cumulative GPA of 2.5 or higher
• You must have an instructor who will complete an online recommendation (Preferably in your major)
• You cannot have received a foundation scholarship in the past 12 months

Please contact Jennifer Fleming with questions: fleming.je@ptc.edu or (864) 941-8359
For your donation, you will receive TBC Reward Points. You will need to bring your Donor ID card or a photo ID. Please drink plenty of water and eat before you donate. Thank you for your support.
Are You PROGRAM-READY?

Program applications will be accepted online Sept. 1-16 for Spring entry into the following Nursing and Health Science clinical programs:

- Associate Degree Nursing (ADN)
- Cardiovascular Technology (CVT)
- Occupational Therapy Assistant (OTA)
- Phlebotomy Technician (PHB)
- Practical Nursing (PN)
- Respiratory Care (RES)

Applicants must have successfully completed ALL program entry requirements PRIOR to submitting an application. Students may apply to only 1 program.

The application is totally electronic and can be found online at: http://www.ptc.edu/college-resources/health-science-nursing/program-applications.

The application can also be accessed by going to www.ptc.edu, hovering over the College Resources tab, selecting Health Science & Nursing, and then clicking the link for Program Applications.

QUESTIONS? Your contact person is noted on your program’s webpage.
Are YOU interested in mathematics?

Consider joining our Math Club and becoming a member of Mu Alpha Theta! Mu Alpha Theta is a national mathematics honor society for two-year college students. The primary purpose is to stimulate an interest in mathematics by providing public recognition of superior mathematical scholarship and by promoting various mathematical activities. Students who have completed at least one mathematics course at or above the College Algebra/Pre-calculus level and have a 3.0 GPA in all two-year math courses above the College Algebra/Pre-calculus level are eligible to participate. For more information, see Dr. Kim Neal in 173K or call 864-941-8672.
