

# TUTORING SERVICES AT PTC

## FAQ

1

### Where is tutoring available?

In-person tutoring sessions are available on the Greenwood Campus. Sessions can also be conducted virtually if the student prefers this method.

2

### When is tutoring available?

When scheduling appointments, tutors have flexible availability for your convenience.

3

### What will the tutor help me with?

Tutors assist students with understanding course material and may offer suggestions about how to study, take notes, or manage time effectively. Tutors are not allowed to complete work for students or give answers to assignments.

4

### How do I sign up for tutoring?

Schedule an appointment on the PTC website at [www.ptc.edu/tutoring](http://www.ptc.edu/tutoring) by calling **(864) 941-8509**, or through **Navigate**.

5

### How long does it take to get tutoring?

Some appointments for tutoring may be available within 24 hours.

6

### Can I get tutoring for more than one course?

Yes, if a tutor is available for the course.

7

### What happens if a tutor is not available for my course?

We have tutors available for many different courses, but occasionally tutors may not be readily available for some courses. Please call **(864) 941-8509** if there is no availability for a specific course.

8

### What if I need to cancel a session?

Students have access to cancel an appointment on **Navigate** or by calling **(864) 941-8509**.

9

### Are there other tutoring resources?

Yes. Brainfuse is an online tutoring resource available to students on the Resources tab in D2L. Faculty also provide open labs throughout the fall and spring semesters. Information on these labs can be found in the Passport to Success newsletter in the Academic Resources area on the PTC website, along with tips on note-taking, time management, and managing test anxiety.
