RATIONALE

Why do I need this course?

ENG 100 is the second in a sequence of writing courses that presents a developmental approach to basic writing. Students focus on composing essays consisting of expressive paragraphs that contain specific, concrete details and varied sentence structure. To do well in college, students must be able to communicate thoughts and ideas effectively. Students who complete ENG 100 with a passing grade should demonstrate proficiency in organizing, composing, and proofreading various types of writing – skills the students will need for the next level of English and other college courses.
